A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- ☒ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☒ Reduce turnover time for vacated public housing units
- ☐ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development
- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☐ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☒ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☐ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☐ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☒ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- ☐ Apply for additional section 8 units should they become available
- ☐ Leverage affordable housing resources in the community through the creation of mixed - finance housing
- ☐ Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- ☒ Other: (list below)
PHA's current waiting list does not warrant an increase in the number of affordable housing units at the present time.

Need: Specific Family Types: Families at or below 30% of median

PHA will strive to insure that families with disabilities are served by notifying other agencies that serve families with disabilities of the PHA's accessible dwelling units and will continue to provide reasonable accommodation to residents requesting same.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- ☐ Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- ☒ Other: (list below)
State Consolidated Plan and PHA waiting list do not show a disproportionate need for any particular race/ethnicity. PHA will continue to strive to provide safe, affordable housing to the families it serves, without discrimination.

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- ☐ Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units

Attachment A
Deconcentration of Poverty
And Income Mixing Plan
Of

The Housing Authority of the County of Union

Background:

As required by Section 513 of the QHWRA, the Housing Authority's admission policy must be designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.

In order to comply with this Regulation, the Authority has taken steps to analyze the public housing stock and tenant incomes. The Authority has compared the relative tenant incomes of each development as they relate to the census tracts in which the developments are located. Currently our mixed developments (Project IL-67-1,2,3,4,5,6 and 7) are low-income developments. The Housing Authority shall make every effort to deconcentrate applicants of certain income characteristics within the Public Housing Authority's complexes by adopting the following plan:

Rent Incentives:

In order to encourage higher income applicants into lower income areas and thereby help to achieve a deconcentration of poverty; the Authority has adopted and will continue to use ceiling rents which have encouraged many working families to move into public housing. This thereby will achieve a consistently higher income throughout the mixed developments.

Worker Preferences:

Working families are given preference over non-working families. However, to affirmatively further fair housing and prevent discrimination from those who are unable to work, the Authority awards the same preference to those families who qualify as elderly, handicapped, or disabled.

Additional Support and Amenities:

The Housing Authority will provide information for each Development of the services and amenities at the development and in the surrounding areas.

Other:

In lieu of skipping over certain families on waiting lists based on incomes, the Authority will determine on an annual basis whether there exists a severe concentration of higher-income or lower-income families within a development as it relates to the census tracts in which the developments are located. If there is no choice of developments, the Authority will offer the available apartment to the next qualified applicant.
